Respond to requests for review of information submitted voluntarily by non-DoD sources or DoD personnel acting in a private capacity to ensure that such material does not contain classified information. This review shall also address technology transfer and public releasability of technical data under DoD Directives 5230.24 and 5230.25, and the ITAR (references (d) through (f)).

5.2. The General Counsel of the Department of Defense shall conduct legal reviews, as needed, to ensure compliance with applicable laws and regulations to protect DoD rights and interests.

5.3. The Heads of the DoD Components shall:

5.3.1. Ensure compliance with this Instruction and issue any guidance necessary for the internal administration of the requirements prescribed in section 6., below.
