

# Facebook

A great way to stay in touch  
and meet new people

The screenshot shows the Facebook interface. At the top is the 'facebook' logo and a search bar. Below the logo is a navigation menu with options like 'Welcome', 'News Feed', 'Messages', 'Events', and 'Find Friends'. The main content area shows a post from a user named 'Terrorists' with a profile picture of a person in a yellow balaclava. The post says 'hey, USA- what up, bro?' and has options to 'Like', 'Comment', and 'See Friendship'. Below this are several replies from other users, including 'United Sts' and 'Terrorists', with their respective profile pictures and timestamps.

While your adversary might not  
make it quite THIS easy- know  
that they're trying.
