

A great way to stay in touch
and meet new people

The screenshot shows the Facebook homepage layout. At the top is the 'facebook' logo and a search bar. Below the logo are navigation icons for Home, Messages, and Notifications (with a '2' badge). The main content area is divided into two columns. The left column contains a profile picture of the United States, a 'Welcome' message, and a list of navigation options: News Feed (highlighted), Messages, Events, Find Friends, Lists (Close Friends, See all lists...), Groups (Create Group...), and Apps (Photos, Music, Notes, Questions). The right column features a 'What's on your mind?' status update box with options for 'Update Status', 'Add Photo / Video', and 'Ask Question'. Below this is the 'RECENT STORIES' section, which displays a series of posts from a group named 'Terrorists'. The posts include: 'hey, USA- what up, bro?' (2 minutes ago), 'nothin', u?' (about a minute ago), 'jus lookin 4 government secrets- lil help?' (about a minute ago), 'y/n?' (a few seconds ago), 'check your messages, d00d' (a few seconds ago), and 'thx, u rock' (a few seconds ago). Each post includes a profile picture of the user and interaction options like 'Like'.
